| Directions | 1. Put 5 liters of water in a pot over high heat.  
2. When the water starts to boil add the crushed sorghum while stirring.  
3. Add the peanut powder and continue stirring until you have a homogeneous mixture.  
4. Add all the other ingredients mentioned (smoked fish, dry fish, crushed tomato and onion, soumbala powder, salt, sorrel, peppers) and leave to simmer for about 40 minutes.  
NB. Spices and condiments other than chili peppers and the ones mentioned are not recommended for this dish. |
| Other relevant information | This is a traditional Malian recipe made with inexpensive ingredients found everywhere in the country. It is a good and affordable source of proteins and lipids for all families especially in times of war or famine. Its appetizing sour taste combined with the added advantage of being easily digestible makes it very suitable for elderly persons and children too!! |
