**INVITATION TO MWIA MEMBERS TO ATTEND THE CONGRESS "PANDEMIC AND GENDER MEDICINE. PREVENTION AND HEALTH PROMOTION RETHOUGHT"**

Date: 18th of September, 8:30 am-12.30 pm (German time)

🤍 Participation is free of charge.

📢 Join us for the international congress under the scientific direction of Dr. Elpiniki Katsari (Greifswald) and Professor Dr. Sabine Oertelt-Prigione (Nijmegen).

🏷️ What do we learn from the pandemic? For science, for the work in doctors' practices and in the hospitals, for health care and society?
And – last but not least – for sex and gender-sensitive medicine?

☑️ Answers to these questions at our international conference – with exciting lectures and discussions, participants from different countries.
You are cordially invited!

🏷️ Among the experts are leading sex and gender medical experts such as:
→ Prof. Alexandra Kautzky-Willer and Prof. Margarethe Hochleitner from Austria,
→ Prof. Ineke Klinge from the Netherlands, Prof. Catherine Gebhard from Switzerland,
→ Dr. Antonella Vezzani from Italy, Dr. Elizabeth Lichtenstein from Schweden,
→ Prof. Khatuna Kaladasze from Georgia,
→ Prof. Bettina Pfleiderer,
→ Prof. Vera Regitz-Zagrosek ,
→ Prof. Gertraud Stadler - all from Germany, as experts from the University of Greifswald and many others.

☑️ The international symposium is currently planned as hybrid format, a small number of participants will be able to attend on site.

☑️ All other participants have the opportunity to join the congress digitally. We will keep you updated if there is any change.

🏷️ The conference language is German, but there will be a session in English at Saturday 18th of September 2021
